

FIELDER'S CHOICE

ELITE PERENNIAL RYEGRASS BLEND

Use	lbs per 1,000 sqft	lbs per acre
New lawn seeding	7 – 9	300 – 400
Overseeding	5 – 7	225 – 300

COMPOSITION
25% Capstone Perennial Ryegrass
25% Siletz Perennial Ryegrass
25% Pangea GLR Perennial Ryegrass
25% Performance Perennial Ryegrass
*Or equivalent depending on availability

The Twin City Seed Fielder's Choice Perennial Ryegrass Seed Blend

of four elite cultivars offers quick germination (as fast as 5 days), strong wear tolerance, and a rich dark green color. It stripes beautifully and cuts cleanly at low heights, making it ideal for cool-season climates and overseeding in transition zones.

Suggested Maintenance: Water lightly and frequently during establishment (2+ times daily). Once established, apply fertilizer 2+ times per season and irrigate 1–2 times weekly. It thrives at mowing heights between 0.5 – 4 inches.
