

Turf that **PROVIDES**  
Results You Can Count On

# PROVIDENCE

TURF TALL FESCUE

'Put it in the ground - look at it. You're going to be impressed.'  
-Dr. Trent Tate, Plant Breeder

**Seeding Rate:** 6-8 lbs./1,000 sf

**For Best Results:** Apply a starter fertilizer with pre-emergent control for weeds during establishment

**Mixes well with Skye, Starr & Milagro Kentucky Bluegrasses**
