

TUFF TURF

LAWN SEED MIXTURE

Tuff Turf Lawn Seed Mixture® is a combination of improved turf-type tall fescues with perennial ryegrass and Kentucky bluegrass. This mixture has excellent drought tolerance, wear tolerance, and will perform nicely in a variety of soil conditions. Tuff Turf Seed Mixture® will adapt to full sun to reasonably heavy shade conditions. It is best used where budgets dictate that input levels are low and in fact low levels of input are preferred. This mixture is proudly approved by the Turfgrass Water Conservation Alliance.
